

# COMPOST DIGESTANT

Product # 520

## *Reduces waste volume in landfills*

This product is a special blend containing selected strains of fungi, bacteria and microbial nutrients for fast composting of organic matter. Designed to greatly enhance composting of all yard waste, including grass clippings, leaves, vines and weed cuttings, harvested aquatic weeds, animal bedding materials, manure, food processing wastes, sawdust, wood chips and all other organic yard wastes. These micro-organisms have the ability to effectively digest yard waste that is high in cellulose and lignin. They reproduce and thrive in the high temperatures and oxygen-deficient environment found in large compost piles. This product, along with proper management of compost piles, will greatly accelerate the composting process.

### Uses:

- Compost piles
- Manure
- Grass clippings
- Sawdust
- Leaves
- Wood chips
- Weeds
- Organic wastes

### Effective Against

- Odor
- Digests waste
- Grease
- Reduces sludge

### Features and Benefits

- Specially formulated to break down yard waste
- Transforms yard waste into useful humus within 6-12 weeks during summer weather
- Eliminates noxious odors and destroys weed seeds

### Properties

Appearance.....	Powder
Fragrance .....	Yeast-Like
Colony count .....	60 Million/gram
Fungal count.....	15 Thousand/gram
Environmentally safe .....	Yes
Non-corrosive.....	Yes
Non-Toxic.....	Yes
Storage Stability at 70 °C .....	3 years

### Directions:

Complete directions on product label  
Activate the bacteria and enzymes in warm water before using.  
Wet compost pile as it is being created.  
Municipal Wastes: Use 25 pounds of this digestant per 1000 cubic yards of organic matter.  
Small Compost heaps: Use 1 tablespoon of digestant per bushel of organic matter.

Digestant may be applied by sprinkling, mixed into slurry with water and sprayed using a tank sprayer or fire hose.

### Active Ingredients

Whey Solids .....	
Aspergillus.....	
Trichoderma.....	
5 strains of Facultative Bacillus Bacteria.....	

### Amount of Active ingredients

15000 colonies/gram
15000 colonies/gram
60,000,000 colonies/gram

### Safety

Contains no dangerous chemicals. Keep out of the reach of children.

### DOT Shipping (ground transportation)

Proper Shipping Name:	None
Class:	None
ID Number:	None
Packing Group:	None

### Quantities

- 100 pounds
- 50 pounds
- 25 pounds
- 6 X 1.75 pounds
